

PARTNERS THROUGH SPONSORSHIP

The **Seaford Youth Sports Awards** are a new venture to highlight the sporting talent of young people living in Seaford and Alfriston. There are several opportunities for businesses to support what Martello Rotary Club hope will be an exciting and prestigious awards evening.

Financial pledges will enable us to make the evening one to remember for the successful nominees and their clubs.

There may also be opportunities for sponsors to donate goods or vouchers. For instance, sports vouchers, flowers, wine (VIP drinks), balloons, taking official photographs, printing etc. could enhance the event whilst advertising the sponsor's business.

It will be an opportunity to positively project your presence in Seaford and Alfriston and promote your business.

Your sponsorship will be very special to us and we would therefore ensure that the name of your company is reflected on our website for 12 months after the event with our thanks.
